

Attn: To All Our Sublessee

CONFIRMATION OF ENDORSEMENT FEE AGREEMENT

We, at Regional Shipping B.V Tank Terminal (Trondheim 20, 2993 Le Barendrecht, Netherlands), are writing to confirm our agreement to receive a one-time endorsement fee of USD \$30,000 for endorsing documents related to the fuel transaction, including but not limited to the DTA, Inter-Tank Injection Agreement, and other documents requested by the supplier of the Sublessee. As per the terms of our agreement, this fee is fully refundable within 24 hours under the following two conditions:

- 1 If the supplier fails to provide verifiable proof of the product's quality, or
- 2 Upon written request from the Sublessee.

We confirm that the endorsement fee covers the endorsement of multiple documents from different suppliers and is valid for one year, beginning from the effective date of the signed contract TSA/CPA.

Upon receipt of the endorsement fee, we will issue an invitation letter for a scheduled meeting with the representative of the Sublessee at our Tank Farm Terminal in Europoort, Rotterdam Port, Houston, Fujairah and Jurong. During this meeting, we are happy to provide access to all sublease agreements for the Sublessee representative to view and verify the legitimacy of our tank storage and other company services and ensure everything is in order.

We are prepared to issue the invitation letter to the representative of the Sublessee for a physical meeting at our Tank Farm Terminal in Europoort, Rotterdam Port, Houston, Fujairah and Jurong. This arrangement is made in good faith, with the aim of ensuring the comfort and satisfaction of our Sublessee.

We look forward to fostering a long-term business relationship.

Cordially yours,
